LOCATION

The property is situated in a secondary trading position in Stafford town centre on the east side of Maltmill Lane between its junctions with Salter Street and North Walls. The Kingsmead Retail Park is close by with a new Aldi supermarket and B&M discount store represented, a McDonalds restaurant to be constructed and the benefit of free car parking limited to two hours.

DESCRIPTION

The premises form part of a three-storey flat-roofed rendered brick development of retail units with apartments above and provide a sales area on the ground floor with an aluminium framed display window fronting a covered walkway.

The space has most recently been used as a convenience store and has been fitted with tiled flooring and suspended ceiling with recessed lighting along with a partitioned stock area at the back but would be suitable for a wide variety of trades and possibly for non-retail use subject to any planning consent considered appropriate by the relevant local authority.
