## LOCATION

The property is situated in Stafford town centre on the south side of St Mary's Gate just off Greengate Street, adjacent to MR SIMMS OLD SWEETE SHOP and opposite MCDONALDS. St Mary's Gate is a short trading stretch linking Greengate Street, a major part of the main shopping thoroughfare, to the Grade I listed St Mary's Church and surrounding retailing.

## DESCRIPTION

The premises comprise one of a pair of retail units located at the rear of the 16<sup>th</sup> Century Ancient High House and are of two-storey brick and tile construction with the ground floor enlarged at the rear by way of a flat-roofed extension and provide retail space with ancillary accommodation above.

Previously used for the sale of computer games and software, that business now having relocated to a larger property, the premises would be suitable for a wide variety of retail trades, or possibly for a non-retail purpose subject to the appropriate consent being granted by the relevant local planning authority, and the availability offers a rare opportunity to acquire a town centre freehold with the option of leasing if preferred.
