LOCATION

The property is prominently situated in the centre of attractive small town of Eccleshall in a corner position on the west side of the A519 Stafford Street between its junctions with High Street and Horsefair. The street scene is dominated by niche retailing with the post office close by and a Co-operative supermarket directly opposite allowing for two hours' car parking. There is also limited on-street parking directly in front of the premises.

DESCRIPTION

The property comprises a two-storey building of brick and tile construction enlarged at the rear by way of a single-storey extension and provides extensive retail space at ground and first floor levels with the added advantage of return window frontage.

The premises have been modernised and refurbished over the years, are centrally heated and have previously been used for the sale of lingerie and as beauty treatment rooms and for baked confectionery preparation and sales but would be suitable for a wide variety of alternative purposes and possibly for non-retail use subject to any planning consent considered appropriate by the relevant local authority.
