LOCATION

The property forms part of a retail and office development prominently situated in Stafford town centre on the north side of Eastgate Street between its junctions with Martin Street and Market Street. The former Kingsmead car park, providing 460 spaces, is located behind the property and has been redeveloped to provide ALDI, B&M, JUST4PETS and MCDONALD'S drive-through outlets but with the public parking facility remaining albeit limited to two hours before charging applies.

DESCRIPTION

The Colonnade is a small parade fronted by a Grade II listed building and was developed some years ago to provide an arcade of five units that have tended to suit specialist retail trades, these at present including a nail salon and a hobby games outlet. The development links Eastgate Street to North Walls and provides a thoroughfare to one of the town's main car parks.

The available premises provide a ground floor lock-up shop unit previously used as a café, snack bar and sandwich shop, but most recently as a patisserie, and would be suitable for a wide variety of alternative retail or non-retail purposes subject to any planning consent considered appropriate by the relevant local authority.
